

Fact sheet

Numbers, definitions, and where each one comes from.

Stage: Pre-launch. No money is being collected. No securities are being offered. Any future cooperative membership or fleet-backed note will be offered only through formal documents after the required Arkansas and federal filings. Every dollar, salary, percentage, partner name, and date in these materials is a target — planned and illustrative — unless explicitly noted otherwise.

Entity & governance

Steward LLC	On It Robotics, LLC — Arkansas
Planned cooperative	American Dream of the Future (multi-stakeholder)
Member classes	A · Patron B · Worker C · Community
Voting	One member, one vote within class
Founder seat	Founder-Steward; sunsets per bylaws
Post-flip On It role	Privateer + IP Licensor — no board seat as of right

Money flows (planned)

Member return	Allocated Patronage Equity (Subchapter T): 20% allocated / 80% retained
Transfers	Member-to-member at par only
Cash redemption	By board declaration only
Core Charge	Refundable, 10% of wholesale on every co-op-issued unit
Orphan Bounty	Separate, market-based, third-party hardware only
IP rake	10% internal / 20% external licensing

Field operations (planned pilot)

Pod	1 Runner + 4 Apprentices = 200 properties
Hub ratio	1 Hub : 40 properties
Apprentice wage subsidy	~75% AR-reimbursed (target)
School / civic discount	10% standard; up to 50% if school staffs Runner+Apprentices

Capital stack (planned, not offered)

- **Sovereign OS** — On It SAFE → non-voting preferred (LLC-level).
- **Membership** — Co-op Class A shares; AR Invests Act first.
- **Fleet** — Senior-secured note, fleet-collateralized; does NOT convert to co-op equity.
- No money collected for any future security before AR Invests notice / Form C / Reg D 506(c) is filed and accepted.
